PSYCHEDELIC HEALING: GROUP KETAMINE & SOUND JOURNEY

Who can participate?

Participation is open to anyone who is medically eligible as determined through a medical assessment by our nurse practitioner.

What is it?

This is a chance to explore psychedelic-assisted therapy in a safe, supportive setting with expert facilitation, group integration, and sound therapy. Open to all, whether it's your first journey or you're a seasoned explorer.

How does it work?

Each offering includes a sublingual ketamine medicine experience with group* integration:

- Opening Ritual: Guided preparation to set intentions.
- Ketamine Session: A 40–60 minute journey with a soothing sound bath.
- Gentle Close: Snacks and shared group integration.
- Next-Day Follow-Up: Virtual session to reflect and integrate.

**group size is eight people maximum*

Cost:

\$300 For first-time participants (includes the medical assessment)
\$200 For returning clients (no medical assessment required) **The cost to pick up the prescription is typically \$20-\$40 dollars at the compounding pharmacy. You are responsible for this cost in addition to the cost of the experience.
